Friday – Kindrochit bike collection

Bikes delivered 3.30pm onwards to the main event area, near to the start finish line and bike transition area.

Collection made in person (for fitting and adjustments) 3.30 – 9.30pm

This is the time to set up and adjust the bike. We are here all day Friday to get you and your bike ready for the challenge the following day. We will not be at the start on the Saturday. It's up to you to get prepared on Friday while we are available to help. We will not return until Saturday evening to collect the bikes when you finish.

We will have a range of spares for sale (cash only) where you can buy spare tubes, pumps, lights and other extras you have forgotten or don't have. If you have special request for any parts or spares then please let us know.

If you are bringing your own tools then please know how to use them.

Saturday -

There will be a selection of spare bikes that you will be able to use should you have any problems prior to starting. Ask event staff to help.

We will return Saturday evening to collect your bike.

It is the rider's responsibility to collect their own items from the bike as soon as possible after finishing the event. Any parts found fitted to the bike will be removed and left on the ground below your race number in the bike transition area.

Wheels cannot vouch for the safety or guarantee return of items removed.
